ANNUAL REPORT 2024-2025

Bismillahir Rahmanir Rahim

Distinguished members of BCA
And my colleagues in the Board of
Directors,

Assalamu Alaikum,

It is a great pleasure and opportunity
for me to extend you all a very hearty
welcome to the 24th Annual General
Meeting of the present Board of
Directors of the Bangladesh Cotton
Association of Agents, Traders,
Growers and Ginners this evening.

Friends, we have assembled here to
exchange our views and receive
recommendations from you so that
we can enrich our thoughts &
translate the same into action. The
necessary papers and documents for
today's meeting i.e. minutes of last
AGM, Annual Report, Audited
Accounts, Budget etc have been
made available to all concerned.

At the outset, let me register our
condolences for those who passes
away among our nearest and dearest

one during the outgoing year. We
pray to the Almighty Allah the
merciful for the salvation of the
departed souls.

We also with a heavy heart condole
those families who lost their beloved
members in the July-August
mass-upsurge during anti-autocrat
movement.

Dear Colleagues,

In 2024-25, Bangladesh managed to
import maximum quantity of its
cotton from west Africa followed by
India, Brazil, USA, Australia and other
countries. Decade ago, however, the
dynamics were different, with 65%
percent imports from Uzbekistan, 10%
from India and the rest 25% from
other countries. Bangladesh is
seemingly on diversified source of
cotton for textile industry.
Dependencies on 4/5 Countries,
Bangladesh has successfully come
out these paradigm. Considering the
geopolitical risks we have found
alternatives to secure an
uninterrupted supply of raw cotton.

Top 10 Largest Cotton Producing Countries In The World In 2025

Cotton is one of the world's most valuable natural fibres, supporting millions of farmers and industries across the globe. On World Cotton Day 2025, let's explore the top 10 largest cotton-producing countries that lead the global textile market.

Top 10 Largest Cotton Producing Countries in 2025

Top 10 Cotton Producing Countries:

World Cotton Day, celebrated annually on October 7, honours the value of cotton in the global economy and its critical role in sustaining millions of farmers, workers and industries. Cotton's enormous demand and many applications have earned it the moniker "white gold" of agriculture. It gives rural communities jobs, supplies raw materials for the textile industry and generates revenue for many nations through exports.

By 2025, the world's cotton production will continue to be led by a few major players who contribute significantly to the global supply chain. The leading producers are still countries like China, India, the United States, Brazil and more, but countries in Africa and Central Asia are also making significant strides. These producers are using eco-friendly farming practices and contemporary technology to meet the growing demand for organic and sustainable cotton.

List of the Top 10 Largest Cotton Producing Countries In 2025

On this World Cotton Day, let's take a closer look at the top 10 largest cotton-producing countries shaping the world's textile future. Also, take a look at the 10 most popular uses of cotton across the world.

Rank	Country	Cotton Production (Million Bales) (2024)	Global Share (%)	Primary Production Method / Region
1	China	32.0	26.7	Mechanised and irrigated farming in the Xinjiang region
2	India	24.0	20.0	Rain-fed cotton in Maharashtra, Gujarat & Telangana; mostly small farms
3	United States	14.4	12.0	Mechanised production in Texas, California & Mississippi Delta
4	Brazil	17.0	14.2	Large-scale mechanised farming in Mato Grosso & Bahia
5	Australia	5.6	4.7	Highly mechanised irrigated cotton in New South Wales & Queensland
6	Turkey	4.0	3.3	Irrigated farming in the Aegean, Southeastern Anatolia, and Çukurova regions
7	Pakistan	5.0	4.2	Grown mainly in Punjab & Sindh provinces under semi-irrigated conditions
8	Uzbekistan	3.0	2.5	Irrigated cotton farming in the Fergana Valley under a state-regulated system
9	Turkmenistan	0.8	0.7	Government-managed irrigated fields in Mary & Lebap regions
10	Mali	1.1	0.9	Smallholder rain-fed farming in southern Mali under cooperatives

10 Most Popular Uses of Cotton

1. Clothing and Textiles

Clothing items like shirts, dresses, jeans, and undergarments are the main items made from cotton. It is the preferred fabric for everyday wear because of its comfort, softness, and breathability. Cotton fabric is perfect for any climate because it absorbs moisture and promotes air circulation.

2. Home Furnishings

Cotton is the most common material used in home furnishings, ranging from curtains and upholstery to bed linens and pillowcases. Every home is made cosier and more elegant by its natural texture, ease of maintenance, and longevity.

3. Medical Supplies

Cotton is also used extensively in the medical field for swabs, gauze, cotton balls and bandages. It is ideal for wound care and hygiene because of its hypoallergenic and absorbent properties.

4. Personal Care Products

Cotton is used to make items like earbuds, baby wipes, and makeup remover pads. Because it is mild on the skin, it is safe and efficient for both cosmetic and everyday hygiene applications.

5. Industrial Products

It is used to make industrial products like workwear, tarpaulins, ropes and tents. It is appropriate for heavy-duty applications due to its strength and flexibility.

6. Paper and Currency Notes

High-quality paper and even banknotes are made from cotton fibres. Long-lasting paper products are made possible by their resilience to wear and durability.

7. Cottonseed Oil

This oil is extracted from cotton seeds and used in processed foods and cooking. Its mild scent and smooth texture make it an essential component of lubricants, soaps, and cosmetics.

8. Animal Feed

After extracting oil, the remaining cottonseed meal is used as nutritious animal feed. It provides protein and essential nutrients for cattle and livestock.

9. Denim and Fashion Accessories

Cotton is used to make denim, the material used to make jeans and jackets. Because of its durability and comfort, it is a mainstay of international fashion, influencing innumerable looks and trends.

10. Eco-Friendly Products

With an emphasis on sustainability, cotton is now utilised in biodegradable packaging materials, reusable napkins, and eco-friendly bags. These goods encourage a greener world by reducing plastic waste.

INDEPENDENT AUDITOR'S REPORT

Bangladesh Cotton Association

73, Motijheel C/A, Dhaka. Mahatab Center (14th Floor),
Suit # 03, Bijoy Nagar, Dhaka-1000.

FOR THE PERIOD OF 01ST DECEMBER, 2024 TO 31ST OCTOBER, 2025 REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Bangladesh Cotton Association, which comprises of The Statement of Financial Position as at 31st October, 2025, Statement of Income & Expenditure, Statement of Cash Flows and Notes to the Financial Statements including a summary of significant accounting policies. In our opinion, the Association Financial Statements present fairly in all material respects or give a true and fair view of the Financial Position of the Association as at 31st October, 2025 and of its Financial Performance and Cash Flows for the period then ended accordance with the International Financial Reporting Standards (IFRS).

Basis for Opinion

We conducted our Audit in accordance with the International Standards on Auditing (ISAs) as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Association in accordance with Code of Ethics Issued by the International Accounting Education Standards Board (IAESB) Code of Ethics as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of the Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide our basis for the opinion.

Emphasis of Matter

Without modification to our report, we would like to draw attention to the fact that the organization is not for profit organization however its financial statements have always contained an Income Statement instead of Statement of Income and Expenditure. Therefore the client chooses to show profit and loss instead of Excess/(Deficit) of Income Over Expenditure which is not consistent for a non profit Organization/Association, and the presentation of the income statement is not suitable for the organization.

Responsibilities of the Management and those charged with Governance for the Financial Statement
Management is responsible for the preparation of Financial Statement in accordance with the accounting policies of the Association and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statement, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis if accounting, unless management either intends to liquidate the Association or to cease operations or has no realistic alternative but to do so. Those charged with Governance are responsible for overseeing the Association's Financial Reporting Process.

Auditor's Responsibilities for The Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statement as a whole are free from material misstatement. Whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance. But is not a guarantee that Audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material, if individually or in the aggregate, they could be reasonable by expected to influence the economic decisions of users taken on the basis of these Financial Statements. As part of an Audit in accordance with ISA, we exercise professional judgement and maintain professional scepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's Internal Control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Association to cease continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements including the disclosures and whether the Financial Statements represent the underlying Transactions and events in a manner that gives a true and fair view.

We communicate with those charged with Governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal Control that we identify during our audit.
